Dear Mr Bain

Please find enclosed the results of research in Scottish records. A fair amount emerged and I do hope the results are both interesting and informative. All we know about John Bain (1) is that he was born about 1774 but not in the County of Inverness but somewhere else in Scotland.

The next step would be to locate printed family histories on Bain and see if there is a Will for John Bain (1).

Your account is clear and if I can be of further assistance please do not hesitate to contact me again.

Yours sincerely

David G C Burns
